Summary

I'm Ryan Nguyen, a passionate web developer who thrived in a rigorous 15-week bootcamp at Dev Academy. With a background as a Sous Chef, I bring leadership, teamwork, and attention to detail to my new career. Equipped with a Level 6 Web Development Training Scheme at Dev Academy Aotearoa, coding is my true passion. I find immense joy in crafting elegant solutions to complex problems and am eager to collaborate on innovative projects in the tech world. I am currently holding New Zealand Residence Visa.

Experience

Dev Academy Aotearoa - Full Stack Web Developer

New Market, Auckland

06/2023 - 09/2023

During this 15-week intensive bootcamp, I devoted approximately 60 hours per week to lectures, assignments, challenges, and side projects. This rigorous training has successfully:

- Transformed me into a proficient web developer.
- Helped me to be prepared and eager to continue learning and exploring new opportunities.
- Helped me to be ready to make significant contributions to projects as a collaborative team player.

Dos Amigos Mexican Cantina - Sous Chef

Mission Bay, Auckland

02/2014 - 05/2023

- Exceptional leadership skills honed through orchestrating kitchen operations and managing teams.
- Strong ability to delegate tasks efficiently while maintaining a clear vision of culinary goals.
- Profound teamwork experience in high-pressure kitchen environments, fostering cooperation, communication, and problem-solving.
- Adaptability, meticulous attention to detail, and a commitment to delivering exceptional results.

These key points highlight my extensive culinary background, leadership, teamwork, and commitment to excellence, which I bring to my new career in web development.
